

Kindergarten November Newsletter

Winter Weather

The weather is changing and it's getting colder by the day. Please remember to send your child to school with a coat, hat and scarf when necessary. Please **label** their clothing and their lunch bags! **If your child doesn't know already, please practice tying their shoes and zipping/buttoning their coats.**

Reading Workshop

In Reading Workshop our focus this month will be reading Emergent Texts! Please ask your child to tell you what they are reading! Better yet, take them to the library and ask them to read to you!

Writing Workshop

In Writing Workshop we will be working on "show and tell". We are writing about things that are special to us. Ask your child what they are learning about in writing!

Social Studies

Kindergarten will launch our second Social Studies Unit and examine "*Self and Others: Individual Development and Cultural Identity*".

Math

We will be exploring sorting, classifying, counting and categorizing data. We will also be counting and writing number up through 10! Please take the opportunity to practice these skills at home! Sorting leaves by color, shape, etc and taking any opportunity to have your child count, will help to solidify these skills!

Reminders and Upcoming Events

- Parent Teacher Conferences, November 15, 2018 . Notices of your appointment time will be sent home.
- **Homework Folders:** PLEASE Check Homework Folders every night. Keep all class work at home, and make sure all homework is complete. All notices must be sent back to school in a timely manner. All monies must be placed in a sealed and labeled envelope with your child's name, class, and what the money is for.
- Please send healthy snacks for your child to school in a small labeled zip lock bag daily.
