

**Pre-Kindergarten Newsletter**  
**October**

**Fall Reminders**

Please send your child to school with a bottle of water each day. Make sure the bottle has your child's name on it. Our pre-k children will go outside twice a day, everyday unless the weather is dangerous. Please send your child in sneakers every day. Please have your child practice rolling up their nap mat.

**Class Activites**

Our unit of study for the month of October will be My Five Senses. In this unit we are working on developing children's abilities to take in information about the world through sight, hearing, smell, taste and touch. We will take walks around the neighborhood, go on scavenger hunts and engage in many other activities where children use their senses. In addition, we will learn how to use our senses to stay safe and healthy. We will talk about things that are sharp, too hot, or very dirty and might make us sick. One way that we do that in our Pre-k program, is by washing our hands before eating and after playing outside.

**Books to read at home**

My Five Senses by Aiki, Brown Bear Brown Bear What do you See? by Bill Martin Jr. ,

Rah, Rah Radishes by April Pulley Sayre, Tap,Tap ,Boom Boom by Elizabeth Bluemle

**Parent Involvement**

Practice proper hand washing at home. You can try using this song :

Top and bottom, Top and bottom

In between, In between

Rub them all together, Rub them all together

Now they're clean, Now they're clean

- Ask your child about some of the things outside of school or inside your home that are too dangerous to touch.
- Please take walks around the neighborhood, and encourage your child to use his/her senses to make observations.
- Please look in your child's folder each night for notes about what we need to support us in this learning.
